If you receive more than one Proxy or voting instruction form, as the case may be, for the Meeting, it is because your shares are registered in more than one form. To ensure that all of your shares are voted you should sign and return all proxies and voting instruction forms that you receive.

Dated at Halifax, Nova Scotia, as at the 14th day of August, 2025.

MANAGEMENT INFORMATION CIRCULAR
(as at August 14, 2025, except as indicated)

INFORMATION REGARDING ORGANIZATION AND CONDUCT OF MEETING

This Management Information Circular ("**Circular**") is furnished in connection with the solicitation of proxies by or on behalf of the management of E-Tech Resources Inc. (the "**Corporation**" or the "**Company**") for use at the Annual and Special Meeting ("**Meeting**") of the shareholders of the Corporation ("**Shareholders**") to be held at E-Tech Resources Inc.'s offices, Suite 2001, 1969 Upper Water Street, Purdy's Tower II, Halifax, Nova Scotia, on **Thursday, September 18, 2025 at 11:00 a.m. (Atlantic Time)**, or at any adjournment thereof, for the purposes set forth in the accompanying notice of meeting ("**Notice of Meeting**").

Solicitation of Proxies

Solicitation of proxies will be primarily by mail but may also be by telephone or other means of communication by the directors, officers, employees or agents of the Corporation at nominal cost. All costs of solicitation will be paid by the Corporation. The Corporation will also pay the fees and costs of intermediaries for their services in transmitting proxy-related material in accordance with National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**").

Appointment and Revocation of Proxies

Shareholders of the Corporation may be "Registered Shareholders" or "Non-Registered Shareholders". If common shares of the Corporation ("**Common Shares**") are registered in the Shareholder's name, they are said to be owned by a "**Registered Shareholder**". If Common Shares are registered in the name of an intermediary and not registered in the Shareholder's name, they are said to be owned by a "**Non-Registered Shareholder**". An intermediary is usually a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates. The instructions provided below set forth the different procedures for voting Common Shares at the Meeting to be followed by Registered Shareholders and Non-Registered Shareholders.

The persons named in the enclosed instrument appointing proxy are officers and directors of the Corporation. **Each Shareholder has the right to appoint a person or company (who need not be a Shareholder) to attend and act for him or her at the Meeting other than the persons designated in the enclosed form of Proxy.** Shareholders who have given a Proxy also have the right to revoke it insofar as it has not been exercised. The right to appoint an alternate proxyholder and the right to revoke a Proxy may be exercised by following the procedures set out below under "*Registered Shareholders*" or "*Non-Registered Shareholders*", as applicable.

If any Shareholder receives more than one (1) Proxy or voting instruction form, it is because that Shareholder's shares are registered in more than one form. In such cases, Shareholders should sign and submit all proxies or voting instruction forms received by them in accordance with the instructions provided.

Registered Shareholders

Registered Shareholders have two (2) methods by which they can vote their Common Shares at the Meeting, namely in person or by proxy. To assure representation at the Meeting, Registered Shareholders are encouraged to return the Proxy included with the Circular. Sending in the Proxy will not prevent a Registered Shareholder from voting in person at the Meeting. The vote will be taken and counted at the Meeting. Registered Shareholders who do not plan to attend the Meeting or who do not wish to vote in person can vote by proxy.

Proxies must be received by the Corporation's transfer agent, **Computershare Investor Services Inc.** ("**Computershare**"), not later than **Tuesday, September 16, 2025 at 11:00 a.m. (Atlantic Time)**. A Registered Shareholder must return the completed Proxy to Computershare, as follows:

- (a) by **mail** in the enclosed envelope; or

- (b) by **internet** or **telephone** as described on the enclosed Proxy; or
- (c) by **registered mail**, by **hand** or by **courier** to the attention of Computershare Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1.

To exercise the right to appoint a person or company to attend and act for a Registered Shareholder at the Meeting, such Shareholder must strike out the names of the persons designated on the enclosed instrument appointing a proxy and insert the name of the alternate appointee in the blank space provided for that purpose.

To exercise the right to revoke a proxy, in addition to any other manner permitted by law, a Shareholder who has given a proxy may revoke it by instrument in writing, executed by the Shareholder or his or her attorney authorized in writing, or if the Shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited: (i) at the registered office of the Corporation, Suite 2001-1969 Upper Water Street, Halifax, Nova Scotia, B3J 3R7, Attention: Rob Randall, at any time up to and including the last business day preceding the Meeting at which the Proxy is to be used, or at any adjournment thereof, or (ii) with the Chairman of the Meeting on the date of the Meeting, or at any adjournment thereof, and upon either of such deposits the Proxy is revoked.

Non-Registered Shareholders

A Non-Registered Shareholder who has not objected to their intermediary disclosing certain ownership information about themselves to the Corporation is referred to as a "**NOBO**". A Non-Registered Shareholder who has objected to their intermediary disclosing the ownership information about themselves to the Corporation is referred to as an "**OBO**".

In accordance with the requirements of NI 54-101, the Corporation is sending the Notice of Meeting, this Circular, and either the voting instructions form ("**VIF**") or the form of Proxy, as applicable, (collectively, the "**Meeting Materials**") directly to the NOBOs and indirectly, through intermediaries, to the OBOs. The Corporation will not be paying for intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's intermediary assumes the cost of delivery.

Meeting Materials Received by OBOs from Intermediaries:

The Corporation has distributed copies of the Meeting Materials to intermediaries for distribution to OBOs. Intermediaries are required to deliver these materials to all OBOs of the Corporation who have not waived their rights to receive these materials, and to seek instructions as to how to vote the Common Shares. Often, intermediaries will use a service company (such as Broadridge Financial Solutions, Inc.) to forward the Meeting Materials to OBOs.

OBOs who receive Meeting Materials will typically be given the ability to provide voting instructions in one of two ways:

Usually, an OBO will be given a VIF which must be completed and signed by the OBO in accordance with the instructions provided by the intermediary. In this case, the mechanisms described above for Registered Shareholders cannot be used and the instructions provided by the intermediary must be followed.

Occasionally, an OBO may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Common Shares owned by the OBO but is otherwise not completed. This form of proxy does not need to be signed by the OBO but must be completed by the OBO and returned to Computershare in the manner described above for Registered Shareholders.

The purpose of these procedures is to allow OBOs to direct the proxy voting of the Common Shares that they own but that are not registered in their name. Should an OBO who receives either a form of proxy or a VIF wish to attend and vote at the Meeting in person (or have another person attend and vote on his or her behalf), the OBO should strike out the persons named in the form of Proxy as the proxy holder and insert the OBO's (or such other person's) name in the blank space provided or, in the case of a VIF, follow the instructions provided by the intermediary. **In either case,**

OBOs who received Meeting Materials from their intermediary should carefully follow the instructions provided by the intermediary.

To exercise the right to revoke a Proxy, an OBO who has completed a Proxy (or a VIF, as applicable) should carefully follow the instructions provided by the intermediary.

Proxies returned by intermediaries as "non-votes" because the intermediary has not received instructions from the OBO with respect to the voting of certain shares or, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Common Shares represented by such "non-votes" will, however, be counted in determining whether there is a quorum.

Meeting Materials Received by NOBOs from the Corporation:

As permitted under NI 54-101, the Corporation has used a NOBO list to send the Meeting Materials directly to the NOBOs whose names appear on that list. If you are a NOBO and the Corporation's transfer agent, Computershare, has sent these materials directly to you, your name and address and information about your holdings of Common Shares of the Corporation have been obtained from the intermediary holding such shares on your behalf in accordance with applicable securities regulatory requirements.

As a result, any NOBOs of the Corporation can expect to receive a scannable VIF from Computershare. Please complete and return the VIF to Computershare in the envelope provided. Computershare will tabulate the results of the VIFs received from the Corporation's NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIF's received by Computershare.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. The intermediary holding Common Shares on your behalf has appointed you as the proxyholder of such Common Shares, and therefore you can provide your voting instructions by completing the Proxy included with this Circular in the same way as a Registered Shareholder. Please refer to the information under the heading "*Registered Shareholders*" for a description of the procedure to return the Proxy, your right to appoint another person or company as your proxy to attend the Meeting, and your right to revoke the Proxy.

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker, a Non-Registered Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.

Notice-and-Access

The Corporation is not sending the Meeting Materials to Registered Shareholders or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations*.

Exercise of Proxies

Where a choice is specified, the Common Shares represented by proxy will be voted for, withheld from voting or voted against, as directed, on any poll or ballot that may be called. **Where no choice is specified, the Proxy will confer discretionary authority and will be voted in favour of all matters referred to on the form of Proxy. The Proxy also confers discretionary authority to vote for, withhold from voting, or vote against amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters not specifically mentioned in the Notice of Meeting but which may properly come before the Meeting.**

Management has no present knowledge of any amendments or variations to matters identified in the Notice of Meeting or any business that will be presented at the Meeting other than that referred to in the Notice of Meeting. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the enclosed instrument appointing a proxy to vote in accordance with the recommendations of management of the Corporation.

Voting Shares

The authorized capital of the Corporation consists of an unlimited number of Common Shares, of which 106,638,197 are issued and outstanding as of the date hereof.

The board of directors of the Corporation ("**Board**" or "**Board of Directors**") has fixed the record date for the Meeting as the close of business on Thursday, August 14, 2025 ("**Record Date**"). Only Shareholders of record as of the close of business on the Record Date will be entitled to vote at the Meeting. Shareholders entitled to vote shall have one (1) vote each on a show of hands and one (1) vote per Common Share on a poll.

Quorum

Two (2) persons present and each entitled to vote at the Meeting and authorized to cast at the Meeting in aggregate not less than ten percent (10%) of the total number of votes attaching to all shares of the Corporation carrying the right to vote will constitute a quorum at the Meeting.

Principal Shareholders

As of the date hereof, to the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, or exercises control or direction over, directly or indirectly, ten percent (10%) or more of the voting rights attached to the outstanding Common Shares except as follows:

Name	Number of Common Shares Owned, Controlled or Directed⁽²⁾	Percentage of Common Shares
Wade Dawe ⁽¹⁾	16,421,609	15.4%

Notes:

- (1) 13,221,609 of the Common Shares are held by Brigus Capital Inc., a company controlled by Wade Dawe, and 3,200,000 are held directly.
- (2) Based on public filings with securities regulatory authorities in Canada.

BUSINESS TO BE TRANSACTED AT THE MEETING

Presentation of Financial Statements

The financial statements of the Corporation for the fiscal year ended March 31, 2025, and the auditor's report thereon, are filed on SEDAR+ under the Corporation's profile and will be presented to the Shareholders at the Meeting.

Election of Directors

The Articles of Incorporation of the Corporation provide that the size of the Board must consist of not less than one (1) director and not more than ten (10) directors to be elected annually. Currently, the Board consists of five (5) directors.

The persons named in the list that follows are all of the persons proposed to be nominated as directors of the Corporation and all are, in the opinion of management, well qualified to direct the Corporation's activities for the ensuing year. They have all confirmed their willingness to serve as directors, if elected. The term of office of each director elected will be until the next annual meeting of the Shareholders or until the position is otherwise vacated.

Unless the Proxy specifically instructs the proxyholder to vote against the election of a Director, Common Shares represented by the proxies hereby solicited shall be voted for the election of the nominees whose names are set forth below. Management does not contemplate that any of these proposed nominees will be unable to serve

as a director of the Corporation, but if that should occur for any reason prior to the Meeting, the persons designated in the enclosed instrument appointing proxy will have the right to use their discretion in voting for a properly qualified substitute.

Management recommends the re-appointment of Manning Elliott LLP. The Shareholders will be asked at the Meeting to vote for the appointment of Manning Elliott LLP as auditor of the Corporation until the next annual meeting of Shareholders of the Corporation, at a remuneration to be fixed by the Board.

It is intended that all proxies received will be voted in favour of the appointment of Manning Elliott LLP as auditor of the Corporation, unless a Proxy contains instructions to withhold the same from voting. Greater than 50% of the votes of Shareholders present in person or by proxy are required to approve the appointment of Manning Elliott LLP as auditor of the Corporation.

Special Business - Annual Approval of the Corporation's Equity Compensation Plans

Equity Compensation Plan Information – the Stock Option Plan

The Corporation adopted a 10% "rolling" stock option plan (the "**Option Plan**"), which was approved by the shareholders on September 26, 2024. The rules of the TSX Venture Exchange ("**TSXV**") provide that a rolling stock option plan must be re-approved by shareholders every year.

The purpose of the Option Plan is to advance the interests of the Corporation by encouraging the directors, officers, employees and consultants of the Corporation to acquire Common Shares, thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs.

The following information is intended as a brief description of the Option Plan, and is qualified in its entirety by reference to the Option Plan itself, which is attached as Appendix A. In addition, upon request, the Corporation will promptly provide a copy of the Option Plan free of charge to any Shareholder. To request a copy of the Option Plan, Shareholders should contact Rob Randall, Corporate Secretary, at Suite 2001 - 1969 Upper Water Street, Purdy's Wharf Tower II, Halifax NS, B3J 3R7.

The Option Plan

The Option Plan is administered by the Board, but may be administered by a committee of the Board to which the Board has delegated its duties and powers under the Option Plan. Directors, officers, consultants and employees of the Corporation or its subsidiaries or affiliates, and employees of any person or company which provides management services to the Corporation or its subsidiaries or affiliates, are eligible to participate in the Option Plan.

The aggregate number of Common Shares reserved for issuance under the Option Plan, together with any other share compensation arrangements that the Corporation may adopt from time to time, including the Corporation's Deferred Share Unit Plan, shall be up to 10% of the issued and outstanding Common Shares of the Corporation at the time when options are granted. The number of options granted to a participant shall be determined by the Board, provided that:

- (a) No person (and companies wholly owned by that person) may be granted options in any twelve-month period, together with any other share compensation arrangements that the Corporation may adopt from time to time, including the Corporation's Deferred Share Unit Plan, to purchase Common Shares exceeding 5% of the issued and outstanding Common Shares, calculated at the time of granting an option to such person, unless the Corporation has obtained disinterested shareholder approval in respect of such grant.
- (b) The aggregate number of options granted to any one consultant in a twelve-month period, together with any other share compensation arrangements that the Corporation may adopt from time to time, including the Corporation's Deferred Share Unit Plan, must not exceed 2% of the issued and outstanding Common Shares, calculated at the time an option is granted to the consultant.
- (c) The aggregate number of options granted all persons retained to provide investor relations activities must not exceed 2% of the issued and outstanding Common Shares in any twelve-month period, calculated at the time an option is granted to any such person.

The exercise price of options granted under the Option Plan will be determined by the Board, provided that the exercise price shall not be less than the discounted market price permitted by the TSXV.

The Board has the discretion to determine the time during which options will vest and the method of vesting. Unless the Board otherwise determines, options granted under the Option Plan will fully vest on the date of grant, except that options granted to persons retained to provide investor relations activities are required to vest in stages over a minimum of twelve months with no more than one-quarter ($\frac{1}{4}$) of the options vesting in any three-month period.

The maximum term of an option is 10 years. A participant's options will expire 90 days (or at the expiry of the term of the options, if earlier) after ceasing to act for the Corporation for any reason other than termination by the

Corporation for cause and, in the case of termination for cause, the options will expire immediately. Upon the death of a participant, the participant's legal representatives will have one year in which to exercise the outstanding options, but not later than the expiry of the term of the options. Options are not transferable or assignable. Refer to Appendix A for further details on Option terms and expiry.

Subject to the requirements of the policies of the TSXV, obtaining any necessary regulatory approvals and the terms of the Option Plan, the Board has the discretion to amend or terminate the Option Plan or amend outstanding options. Shareholder approval will be required for any amendments to the Option Plan with respect to: (a) persons eligible to be granted options under the Option Plan; (b) the maximum percentage of Common Shares that are reserved for issuance under the Option Plan; (c) the limitations under the Option Plan on the number of options that may be granted to any one person or any category of persons; (d) the method for determining the exercise price of options; (e) the maximum term of options; and (f) the expiry and termination provisions applicable to options.

Existing Stock Options

As of August 14, 2025, the Corporation had 2,860,000 stock options outstanding and exercisable under the Option Plan.

Annual Approval of the Option Plan

Policy 4.4 of the TSXV requires that rolling stock option plans must receive shareholder approval yearly, at the issuer's annual shareholders meeting. In accordance with Policy 4.4, Shareholders will be asked to consider and if thought fit, approve the following ordinary resolution approving, adopting and ratifying the Option Plan:

BE IT RESOLVED as an ordinary resolution of the Shareholders of the Corporation that:

1. the Option Plan, as included in its entirety in Appendix A to the Corporation's management information circular dated August 14, 2025, is hereby ratified, confirmed and approved;
2. the form of the Option Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the Shareholders; and
3. any one of the directors or officers of the Corporation is hereby authorized to take all such actions and execute and deliver all such documents as are necessary or desirable for the implementation of this resolution.

The directors of the Corporation believe the Option Plan is in the Corporation's best interests and recommend that the Shareholders approve the Option Plan. **It is intended that all proxies received will be voted in favour of approving the Option Plan, unless a proxy contains instructions to vote against. Greater than 50% of the votes of Shareholders present in person or by proxy are required to approve the Option Plan.**

Equity Compensation Plan Information – the Deferred Share Unit Plan

The Board has a deferred share unit plan (the “**DSU Plan**”) that was approved by the Shareholders of the Corporation on September 26, 2024, which reserves 10% of the Corporation's shares, together with any other share compensation arrangements that the Corporation may adopt from time to time, including the Option Plan, for issuance. As of the date of this report, no DSUs have been issued by the Corporation. Further particulars of the DSU Plan are described below.

The purpose of the DSU Plan is to allow the Company to (i) retain highly competent persons as directors, officers and key employees and consultants (an “**DSU Participant**”), (ii) allow such persons to participate in the long-term success of the Company realized through their efforts, and (iii) promote a greater alignment of interests between the participants designated under this Plan and the Shareholders of the Company, by awarding deferred share units (the “**DSUs**”). Investor relations service providers are not eligible to receive DSUs.

The following information is intended as a brief description of the DSU Plan, and is qualified in its entirety by reference to the DSU Plan itself, which is attached as Appendix B. In addition, upon request, the Corporation will promptly provide a copy of the DSU Plan free of charge to any Shareholder. To request a copy of the DSU Plan, Shareholders should contact Rob Randall, Corporate Secretary, at Suite 2001 - 1969 Upper Water Street, Purdy's Wharf Tower II, Halifax NS, B3J 3R7.

The DSU Plan will be administered by a Compensation Committee (the “**Committee**”) to be appointed by the Board and will be subject to the supervision of the Board. Under the DSU Plan, the Compensation Committee will recommend the DSU Participants to whom an award should be made (an “**Award**”) based on the DSU Participant’s current and potential contribution to the success of the Company, subject to confirmation by the Board, and each approved Award will then be recorded in an account for the DSU Participant (the “**Account**”). The Compensation Committee will also determine (subject to confirmation by the Board at the time of the Award) the terms and conditions upon which an Award is made, including any vesting period or other conditions attached to the Award.

The Board has determined that the maximum number of common shares available for issuance upon the vesting of DSUs, combined with the number of common shares reserved for issuance under all other equity-based compensation arrangements of the Company (including the Company’s Stock Option Plan), as follows:

- (a) the total number of DSUs issuable at any time under this Plan to Insiders, when combined with all other Common Shares issuable to Insiders under any other equity compensation arrangements then in place, may not exceed 10% of the total number of issued and outstanding equity securities of the Corporation;
- (b) the total number of DSUs that may be issued to Insiders during any 12 month period under this Plan, when combined with all other Common Shares issuable to Insiders under any other equity compensation arrangements then in place, may not exceed 10% of the total number of issued and outstanding equity securities of the Corporation;
- (c) the number of DSUs issuable to any Eligible Participant, when combined with all other Common Shares issuable to such Insider under any other equity compensation arrangements then in place, may not exceed 5% of the total number of issued and outstanding equity securities of the Corporation;
- (d) the total number of DSUs that may be issuable to any Eligible Participant during any 12 month period under this Plan, when combined with all other Common Shares issued to such Insider under any other equity compensation arrangements then in place, may not exceed 5% of the total number of issued and outstanding equity securities of the Corporation;
- (e) The maximum aggregate number of Listed Shares of the Issuer that are issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to any one Person must not exceed 5% of the Issued Shares of the Issuer, calculated as at the date any Security Based Compensation is granted or issued to the Person (unless the Issuer has obtained the requisite disinterested Shareholder approval); or
- (f) The maximum aggregate number of Listed Shares of the Issuer that are issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to any one Consultant may not exceed 2% of the Issued Shares of the Issuer, calculated as at the date any Security Based Compensation is granted or issued to the Consultant;

The vesting schedule of an award of DSUs will be 33.3% on the first anniversary of date of the Award, 33.3% on the second anniversary of the date of the Award and 33.4% on the third anniversary of the date of the Award.

After the DSU Participant’s Termination Date (as defined in the DSU Plan), each vested DSU entitles the DSU Participant to receive, subject to adjustments as provided for in the DSU Plan, one common share for the equivalent thereof when the DSU is redeemed by the Company, provided that the DSU Participant was previously continuously

employed by, or provided services to, the Company from the date of such Award to the Termination Date (as those terms are defined in the DSU Plan). The DSU Participant or the legal representative of the DSU Participant's estate may select up to five (5) separate irrevocable dates (each such date being a "**Settlement Date**") to redeem a portion or all of the number of the DSU's in the DSU Participant's Account in common shares of the Company. Subject to any conditions imposed by the Committee, each Settlement Date elected by a DSU Participant or the legal representative of the Participant's estate, as applicable, pursuant to the DSU Plan shall not be:

- (a) before the later of: (i) 15 days after the date on which the election is filed with the Company, and (ii) 30 days after the DSU Participant's Termination Date; and
- (b) later than December 15 of the calendar year commencing immediately after the DSU Participant's Termination Date.

In the event that no Settlement Date is specified by the DSU Participant or their legal representative, within the permissible period set out above, then the Settlement Date for such DSU Participant shall be a single Settlement Date, which shall be December 15 of the calendar year commencing immediately after such DSU Participant's Termination Date.

No DSUs may vest before the completion of the minimum one year vesting period. Acceleration of vesting is permitted only in connection with the death of an Eligible Participant or where an Eligible Participant ceases to be an Eligible Participant in connection with a change in control, take-over bid, Reverse Takeover or a similar transaction. DSUs must expire within a maximum of one year following an Eligible Participant ceasing to be an Eligible Participant.

Unless the Board determines otherwise, if the employment of a DSU Participant with the Company or a Related Entity (as defined the DSU Plan) is terminated with or without cause, or such DSU Participant resigns before a DSU has vested, the DSU Participant shall have no right to any common shares in respect of such DSU.

If a DSU Participant's employment or engagement with the Company or a Related Entity terminates before a DSU has vested due to Retirement (as defined in the DSU Plan) or disability, the Board may waive any vesting conditions and deliver such number of common shares as contemplated in the DSU Participant's Account. In the event of the death of a DSU Participant prior to the settlement of the DSUs credited to his or her Account, the Board shall, on the Settlement Date, cause to be delivered to the estate of the DSU Participant or such DSU Participant's Beneficiary, the number of vested common shares to which such DSU Participant would have been entitled.

DSUs may not be sold, transferred, assigned, pledged or otherwise encumbered or disposed of (other than to the DSU Participant's beneficiary or estate, as the case may be, upon the death of the DSU Participant), and any attempt to do so will be void and of no force or effect. DSUs track the value of the underlying common shares, but do not entitle the recipient to the underlying common shares until such DSUs are redeemed, nor do they entitle an DSU Participant to exercise voting rights or any other rights attaching to ownership or control of the common shares, until the DSU vests and the DSU Participant actually receives common shares, subsequent to the DSU Participant's Termination Date. Nothing contained in the DSU Plan, nor by the granting of any DSU's, will entitle a DSU Participant to any right to continued employment by the Company.

The existence of DSUs shall not affect in any way the right or power of the Company or its Shareholders to make or authorize any stock dividend, stock split, combination or exchange of shares, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin-off or other distribution of the Company's assets to Shareholders or any other change affecting the common shares of the Company. However, such adjustments as are required to reflect such change shall be made with respect to each DSU Participant's Account, as the Committee in its discretion may deem appropriate to reflect such change. In addition, in the event that dividends are paid on the common shares of the Company, there shall be credited to the DSU Participant's Account that number of additional DSUs equal to: (a) the product of the aggregate number of DSUs credited to the DSU Participant's Account prior to the payment of the dividend, multiplied by the per share amount of such dividend (or, in the case of any dividend payable in property other than cash, the per share value of such dividend, as determined by the Board), divided by (b) the average of the bid and ask prices in respect of a common share of the Company on the date the dividend is declared.

The Company may from time to time impose trading blackouts during which some or all DSU Participants may not trade in the securities of the Company. In the event that a trading blackout is imposed by management or the Board,

DSU Participants subject to the blackout are prohibited from buying, selling or otherwise trading in securities of the Company until such time as notice is formally given by the Company that trading may resume. If the Effective Date (as defined in the DSU Plan) of any Award falls within such a blackout period, it shall be automatically extended to the date which is five business days following the end of such blackout period.

The Board may, at any time and without the consent of any DSU Participant, terminate the DSU Plan upon written notice to each DSU Participant. Notwithstanding the termination of the DSU Plan, all amounts distributable under the DSU Plan shall be paid to the persons entitled thereto on the dates on which such distributions would have been made had the DSU Plan not been terminated.

Subject to certain limited exceptions, the Compensation Committee may from time to time amend the terms of Awards made under the DSU Plan, subject to confirmation by the Board and the obtaining of any required regulatory or other approvals and, if any such amendment will adversely affect the rights of an DSU Participant with respect to an Award, the obtaining of the written consent of such DSU Participant to such amendment.

Without limiting the generality of the foregoing, the Board may make the following amendments to the DSU Plan without obtaining shareholder approval:

- (a) Amendments to the terms and conditions of the DSU Plan necessary to ensure that the DSU Plan complies with the applicable laws, regulations, rules, orders of governmental or regulatory authorities or the requirements of the TSX Venture Exchange in place from time to time;
- (b) Amendments to the provisions of the DSU Plan respecting administration of the DSU Plan and eligibility for participation under the DSU Plan;
- (c) Amendments to the provisions of the DSU Plan respecting the terms and conditions on which Awards may be made pursuant to the DSU Plan;
- (d) Amendments to the DSU Plan that are of a “housekeeping” nature; and
- (e) Any other amendments, fundamental or otherwise, not requiring shareholder approval under applicable laws or applicable policies of the TSX Venture Exchange.

The Board may not, without the approval of the Company’s Shareholders, make the following amendments to the DSU Plan:

- (a) An increase to the DSU Plan maximum or the number of common shares reserved for issuance under the DSU Plan;
- (b) Amendment provisions granting additional powers to the Board to amend the DSU Plan or entitlements thereunder;
- (c) Extension of the termination or expiry of an Award or the removal or increase of insider participation limits; and
- (d) A change to the definition of “Eligible Participant” under the DSU Plan.

Annual Approval of the DSU Plan

Policy 4.4 of the TSXV requires that rolling equity based compensation plans must receive shareholder approval yearly, at the issuer's annual shareholders meeting. In accordance with Policy 4.4, Shareholders will be asked to consider and if thought fit, approve the following ordinary resolution approving, adopting and ratifying the Corporation’s DSU Plan:

1. E-Tech Resources Inc. is hereby authorized to amend its articles to change its name from "E-Tech Resources Inc." to "REExploration Inc.", subject to availability and regulatory approval;
2. any one of the directors or officers of the Corporation is hereby authorized to take all such actions and execute and deliver all such documents as are necessary or desirable for the implementation of this resolution.

MANAGEMENT CONTRACTS

The Company has a services agreement with Numus Financial Inc. ("Numus"), a related party company owned by significant shareholders of the Company for the provision of consulting services, controller services, rent and other office costs, at a total fee of \$12,200 per month and continuing until both parties mutually agree to terminate. Service fees are incurred on a cost recovery basis and include general and administration charges such as utilities and accounting services of the Company.

As outlined in the services agreement effective October 15, 2021, if the services agreement is cancelled by the Company without just cause (as defined in the agreement), a break fee of eighteen (18) months of remuneration, being \$144,000, will be payable to Numus, in addition to the service fees applicable for the 90-day notice period. If the controller services are cancelled by the Company without just cause, a break fee of six (6) months of remuneration, being \$15,000, will be payable to Numus, in addition to the service fees applicable for the 90-day notice period. If the office services are cancelled by the Company without just cause, a break fee of six (6) months of remuneration, being \$10,200, will be payable to Numus, in addition to the service fees applicable for the 90-day notice period. Numus also will have a right of first refusal to act as an advisor on an E-Tech transaction for a fee of 1.25% of the value of the transaction.

Other than as noted above, no management functions of the Corporation were, to any substantial degree, performed by a person or company other than the directors or executive officers (or private companies controlled by them, either directly or indirectly) of the Corporation during the most recently completed financial year.

CORPORATE GOVERNANCE

The Board endorses the efforts of the securities commissions or similar regulatory authorities across Canada in continuing the evolution of good corporate governance practices. The Board is committed to adhering to the highest standards in all aspects of its activities.

The corporate governance practices described below are subject to change as the Corporation evolves. Some of its practices are representative of its junior size; however, the Corporation has undertaken to periodically monitor and refine such practices as the size and scope of its operations increase. The Board shall remain sensitive to corporate governance issues and shall continuously seek to set up the necessary measures, control mechanisms and structures to ensure an effective discharge of its responsibilities without creating additional undue overhead costs and reducing the return on shareholders' equity.

Board of Directors

The Board proposed for election is currently comprised of three (3) directors, two of whom are "independent" within the meaning of National Instrument 52-110, *Audit Committees* ("**NI 52-110**"). Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Corporation's board of directors, be reasonably expected to interfere with the exercise of the directors' independent judgment. In addition, certain individuals, by definition, are deemed to have a "material relationship" with the Corporation and therefore are deemed not to be independent.

Frances Wall and Carl Sheppard are considered independent of the Corporation. Chris Drysdale is not independent as he serves as the Corporation's President and CEO as of the date of this report.

The Board of Directors meets throughout the year, usually at least once per calendar quarter. The frequency of the meetings and the nature of the meeting agendas are dependent on the nature of the business and affairs which the Corporation faces from time to time. The independent directors are given the opportunity to meet separately at the end of each meeting of the Board of Directors, but do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. Having considered the current size of the Board of Directors, the number of independent directors on the Board of Directors and the experience of the independent directors with other reporting issuers, the Board of Directors believes that separate meetings of the independent directors provide sufficient independent oversight.

Directorships

The following director nominations of the Corporation are presently serving as directors of other reporting issuers:

Director	Name of Other Reporting Issuer
Carl Sheppard	Torrent Capital Ltd.

Orientation and Continuing Education

The Board has an informal program for the orientation and education of new recruits to the Board of Directors. The Corporation ensures that all new directors meet with management and incumbent directors and are provided with written materials that provide background as to the Corporation's business and outline the securities law obligations and restrictions on members of the Board of Directors and the Corporation.

The Board of Directors endeavours to facilitate continuing education for directors to ensure they keep up to date on changing governance issues and requirements and legislation or regulations in their field of experience and maintain the skills and knowledge necessary to meet their obligations as directors of the Corporation.

Ethical Business Conduct

Through the Board's ongoing supervision of the Corporation's business and affairs, the directors encourage and promote a corporate culture of ethical business conduct. In 2021, the Board of Directors adopted a Code of Business Conduct and Ethics (the "**Code**") which all board members, officers and employees of the Corporation must be familiar with and comply with. The Code is published on the Corporation's website at www.etch-resources.com. The Board believes that the fiduciary duties and restrictions applicable to real or potential conflicts of interest placed on directors and officers by corporate legislation and the common law, together with the Code, are sufficient to ensure that the directors and officers act in the best interests of the Corporation.

The Corporation also adopted a Safety and Environmental Policy which recognizes that maintenance of environmental quality is vital to the Corporation's existence, progress, and continued development. The Corporation will maintain high environmental standards limited only by technical and economic feasibility.

The Corporation also has adopted a Whistleblower Policy which establishes procedures for (a) the receipt, retention, and treatment of complaints received by the Corporation regarding accounting, internal accounting controls, auditing matters or violations to the Code; and (b) the submission by employees of the Corporation, on a confidential and anonymous basis, of concerns or complaints about the accuracy, fairness or appropriateness of any of the Corporation's accounting policies or financial reports or violations to the Code.

Certain of the Corporation's directors serve as directors or officers of other reporting issuers or have significant shareholdings in other companies. To the extent that such other companies may participate in business ventures in which the Corporation may participate, the directors may have a conflict of interest in negotiating and concluding terms respecting the extent of such participation. In the event that such a conflict of interest arises at a meeting of the Board, a director who has such a conflict will abstain from voting for or against the approval of such participation or such terms and such director will not participate in negotiating and concluding terms of any proposed transaction. In

addition, any director or officer who may have an interest in a transaction or agreement with the Corporation is required to disclose such interest and abstain from discussions and voting in respect to same if the interest is material or if required to do so by corporate or securities law.

Nomination of Directors

The Board has not appointed a nominating committee and does not have a formal process for identifying new candidates for Board nomination. When required, the Board will identify potential candidates for Board membership and make recommendations for nomination based on an individual's character, integrity, judgment and record of achievement and any other qualifications which would add to the Board's decision-making process and enhance the overall management of the Corporation's business.

Compensation

Remuneration of the executive officers of the Corporation is determined by the Board. The Board also administers the Corporation's Option Plan and DSU Plan, including any option grants or DSU grants to the directors and officers. At this stage in the Corporation's development, the Corporation has not adopted a formal compensation plan. The Corporation intends to conduct an informal survey of comparable data in small public companies taking into account the size as well as the level of activity of the Corporation to use as a reference when determining future salaries, compensation and equity compensation grants for the Corporation's executive officers and directors.

Diversity of Board and Management

The *Canada Business Corporations Act*, which governs the Corporation, has been recently amended to require the Corporation to disclose the number and percentage of Board seats and senior management positions occupied by women, aboriginal peoples, persons with disabilities, and members of visible minorities. Currently one of the directors of the Corporation is female however, the Corporation does not have a person in these other categories who serves on the Board (0%) and none (0%) in any senior management position. Due to its early stage of business development, the Corporation does not have a written policy relating to the identification and nomination of persons in such designated groups. The Board and management of the Corporation believe that diversity and inclusion is important to the future development and success of the Corporation, and qualified candidates in such designated groups will certainly be welcomed and considered for positions on the Board and in senior management as the Corporation grows.

Audit Committee

Audit Committee's Charter

The Audit Committee has a written charter, a copy of which is included in Appendix C.

Composition of the Audit Committee

The members of the Audit Committee are currently John Philpott, Ken Marshall and James Megann. Mr. Philpott and Mr. Marshall are independent as such term is defined in NI 52-110. Mr. Megann is not considered independent, as he is a shareholder of Numus Financial Inc., a company which has a services agreement with E-Tech Resources Inc.

The Corporation is of the opinion that all three members of the Audit Committee are “financially literate” as such term is defined in NI 52-110.

Relevant Education and Experience

For a summary of the education and experience of each Audit Committee member relevant to their responsibilities on the Audit Committee, see their biographies included under "*Business to be Transacted at the Meeting – Election of Directors*".

The Corporation is relying on the exemption set out in section 6.1 of NI 52-110 applicable to venture issuers.

Assessments

The responsibility for assessing directors on an ongoing basis is assumed in full by the Board and every director is entitled to bring the matter to the Board of Directors. The Board does not perform regular assessments; however, the Board believes that the size of the Corporation facilitates informal discussion and evaluation of the Board, its committees and its members.

Director Term Limits

The Corporation has not adopted director term limits for directors. However, the Chairman and/or lead independent director and the Board regularly assess the effectiveness and contribution of directors. The Corporation feels that its current governance system is sufficient to ensure that the Board from year to year is composed of directors with the appropriate knowledge and skills necessary to enhance the long-term performance of the Corporation. Furthermore,

the Corporation recognizes the significant value that can be offered by long-serving directors, including the breadth of experience and familiarity with the Corporation and its industry of those members that have joined the Board. As such, the Corporation believes that it would not be best suited to the needs of the Corporation to adopt director terms limits or any formal board renewal mechanisms other than those already in place and discussed in this Circular.

Gender Diversity

The Corporation currently does not have a formal policy related to the representation of women on the Board or with the management team. However, the Board is aware of the benefit of diversity on the Board and within the management team of the Corporation.

The Corporation ensures there is a diverse Board, with a sufficient number of directors, to encourage a variety of opinions and insights on matters which come before the Board, while at the same time limiting its membership to a number of directors that facilitates effective and efficient decision-making. Recommendations concerning director appointments are based on merit and performance, with diversity taken into consideration. Diversity is considered advantageous as it relates to qualifications, insights and experiences.

The Board has not adopted targets regarding the representation of women on the Board and in executive officer positions due to the small size of the Corporation and the need to consider a balance of criteria in each individual appointment. It is important that each appointment to the Board or in executive officer positions be made based on the merits of the individual and the need of the Corporation at that point in time. In addition, targets based on specific criteria such as gender could limit the Board's ability to ensure that the overall composition of the Board or management of the Corporation meets the needs of the Corporation. Currently one of the directors of the Corporation is female.

INDEBTEDNESS OF DIRECTORS AND SENIOR OFFICERS TO THE COMPANY

No director or senior officer of the Company, proposed management nominee for election as a director of the Company or associate or affiliate of any such director, senior officer or proposed nominee is or has been indebted to the Company or any of its subsidiaries at any time during the Company's last completed financial year, other than routine indebtedness.

In addition, the Board shall have the authority to: (i) construe and interpret this Plan and all option agreements entered into hereunder; (ii) prescribe, amend and rescind rules and regulations relating to this Plan; and (iii) make all other determinations necessary or advisable for the administration of this Plan. Whenever used herein, the term “Board” shall be deemed to include any committee or officer to which the Board has, fully or partially, delegated responsibility and/or authority relating to the Plan or the administration and operation of this Plan pursuant to this Section 3.

4. Shares Subject to Plan

- (a) Subject to Section 15 below, the securities that may be acquired by Participants upon the exercise of Options shall consist of authorized but unissued Shares. Whenever used herein, the term “Shares” shall be deemed to include any other securities that may be acquired by a Participant upon the exercise of an Option, the terms of which have been modified in accordance with Section 15 below.
- (b) The aggregate number of Shares reserved for issuance under this Plan, together with any other share compensation arrangements that the Corporation may adopt from time to time, including the

Corporation's Deferred Share Unit Plan, is equal to ten percent (10%) of the issued and outstanding Shares, unless the Corporation receives the permission of the stock exchange or exchanges on which the Shares are then listed to exceed such threshold.

- (c) If any Option granted under this Plan shall expire or terminate for any reason without having been exercised in full, any unpurchased Shares to which such Option relates shall be available for the purposes of the granting of Options under this Plan.

5. **Maintenance of Sufficient Capital**

The Corporation shall at all times during the term of this Plan ensure that the number of Shares it is authorized to issue shall be sufficient to satisfy the Corporation's obligations under all outstanding Options granted pursuant to this Plan.

6. **Eligibility and Participation**

- (a) The Board may, in its discretion, select any of the following persons to participate in this Plan:
 - (i) directors of the Corporation;
 - (ii) officers of the Corporation;
 - (iii) employees of the Corporation; and
 - (iv) consultants of the Corporation, provided such consultants have performed and/or continue to perform services for the Corporation on an ongoing basis or are expected to provide a service of value to the Corporation;

(any such person having been selected for participation in this Plan by the Board is herein referred to as a "Participant"). The Corporation represents that directors, officers, employees and consultants granted Options under this Plan are bona fide directors, officers, employees and consultants of the Corporation.

- (b) The Board may from time to time, in its discretion, grant an Option to any Participant, upon such terms, conditions and limitations as the Board may determine, including the terms, conditions and limitations set forth herein, provided that Options granted to any Participant shall be approved by the shareholders of the Corporation if the rules of any stock exchange on which the Shares are listed require such approval.

7. **Exercise Price**

The Board shall, at the time an Option is granted under this Plan, fix the exercise price at which Shares may be acquired upon the exercise of such Option provided that such exercise price shall not be less than that from time to time permitted under the rules of any stock exchange or exchanges on which the Shares are then listed. Disinterested shareholder approval will be obtained for any reductions in the exercise price or extension to the term if the Participant is an insider of the Corporation at the time of the proposed amendment.

8. **Number of Optioned Shares**

The number of Shares that may be acquired under an Option granted to a Participant shall be determined by the Board as at the time the Option is granted, provided that:

- (a) the aggregate number of options granted to any one person (and companies wholly owned by that person), in a 12 month period, together with any other share compensation arrangements that the Corporation may adopt from time to time, including the Corporation's Deferred Share Unit Plan, must not exceed 5% of the issued shares of the Corporation, calculated on the date an option is

granted to the person (unless the Corporation has obtained the requisite disinterested Shareholder approval);

- (b) the aggregate number of options granted to any one consultant in a 12 month period, together with any other share compensation arrangements that the Corporation may adopt from time to time, including the Corporation's Deferred Share Unit Plan, must not exceed 2% of the issued shares of the Corporation, calculated at the date an option is granted to the Consultant; and
- (c) the aggregate number of options granted to all persons retained to provide investor relations activities must not exceed 2% of the issued shares of the Corporation in any 12 month period, calculated at the date an option is granted to any such Person.

9. **Term**

The period during which an Option may be exercised (the "**Option Period**") shall be determined by the Board at the time the Option is granted, subject to any vesting limitations which may be imposed by the Board in its sole unfettered discretion at the time such Option is granted and Sections 11, 12 and 16 below, provided that:

- (a) no Option shall be exercisable for a period exceeding ten (10) years from the date the Option is granted, subject to extension permitted under the rules of any stock exchange or exchanges on which the Shares are then listed where the expiry falls within a period during which the Corporation, in accordance with restrictions imposed pursuant to the Company's internal trading policies as a result of the bona fide existence of undisclosed material information, prohibits Participants from exercising stock options (a "**blackout period**"), which will expire upon the general disclosure of the undisclosed material information;
 - (i) in the event of an extension of an Option due to a blackout period the expiry date of the affected Participant's Options will be extended to no later than ten (10) business days after the expiry of the blackout period;
 - (ii) the automatic extension of a Participant's Options is not permitted where the Participant or the Company is subject to a cease trade order (or similar order under Securities Laws) in respect of the Company's securities at the time of the expiry of the Option;
- (b) no Option in respect of which shareholder approval is required under the rules of any stock exchange or exchanges on which the Shares are then listed shall be exercisable until such time as the Option has been approved by the shareholders of the Corporation;
- (c) the Board may, subject to the receipt of any necessary regulatory approvals, in its sole discretion, accelerate the time at which any Option may be exercised, in whole or in part; and
- (d) Options issued to consultants performing investor relations activities must vest in stages over a period of not less than 12 months with no more than 25% of the said Options vesting in any three month period.

10. **Method of Exercise of Option**

- (a) Except as set forth in Sections 11 and 12 below or as otherwise determined by the Board, no Option may be exercised unless the holder of such Option is, at the time the Option is exercised, a director, officer, employee or consultant of the Corporation.
- (b) Options that are otherwise exercisable in accordance with the terms thereof may be exercised in whole or in part from time to time.

- (c) Any Participant (or his legal, personal representative) wishing to exercise an Option shall deliver to the Corporation:
 - (i) a written notice expressing the intention of such Participant (or his legal, personal representative) to exercise his Option and specifying the number of Shares in respect of which the Option is exercised; and
 - (ii) a cash payment, certified cheque or bank draft; representing the full purchase price of the Shares in respect of which the Option is exercised.
- (d) Upon the exercise of an Option as aforesaid, the Corporation shall use reasonable efforts to forthwith deliver, or cause the registrar and transfer agent of the Shares to deliver, to the relevant Participant (or his legal, personal representative) or to the order thereof, a certificate or notice representing the aggregate number of fully paid and non-assessable Shares in respect of which the Option has been duly exercised.

11. **Ceasing to be a Director, Officer, Employee or Consultant**

- (a) Subject to paragraph 11(b) below, if any Participant shall cease to hold the position or positions of director, officer, employee or consultant of the Corporation (as the case may be) for any reason other than death or permanent disability, his Option will terminate at 6:00 p.m. (Halifax time) on the earlier of the date of the expiration of the Option Period and 90 days after the date such Participant ceases to hold the position or positions of director, officer, employee or consultant of the Corporation as the case may be.
- (b) if any Participant who is engaged in investor relations activities shall cease to be employed to provide investor relations activities for any reason other than death or permanent disability, his Option will terminate at 6:00 p.m. (Halifax time) on the earlier of the date of the expiration of the Option Period and 30 days after the date such Participant ceases to be employed to provide investor relations activities, or 12 months in the case of disability.
- (c) if any Participant is terminated by the Corporation for cause, the options will expire immediately.

Neither the selection of any person as a Participant nor the granting of an Option to any Participant under this Plan shall: (i) confer upon such Participant any right to continue as a director, officer, employee or consultant of the Corporation, as the case may be; or (ii) be construed as a guarantee that the Participant will continue as a director, officer, employee or consultant of the Corporation, as the case may be.

12. **Death or Permanent Disability of a Participant**

In the event of the death or permanent disability of a Participant, any Option previously granted to him shall be exercisable until the end of the Option Period or until the expiration of 12 months after the date of death or permanent disability of such Participant, whichever is earlier, and then, in the event of death or permanent disability, only:

- (a) by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or applicable law; and
- (b) to the extent that he was entitled to exercise the Option as at the date of his death or permanent disability.

13. **Rights of Participants**

No person entitled to exercise any Option granted under this Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such Option until such Shares have been paid for in full and issued to such person.

14. **Proceeds from Exercise of Options**

The proceeds from any sale of Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine and direct.

15. **Amalgamation, Consolidation or Merger**

- (a) The number of Shares subject to this Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares of the Corporation, and in any such event a corresponding adjustment shall be made to the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share that may be acquired upon the exercise of the Option.
- (b) In the event that the Corporation shall amalgamate, consolidate with, or merge into another corporation, each Participant will thereafter receive, upon the exercise of such Participant's Options, the securities or property to which a holder of the number of Shares then deliverable upon the exercise of such Options would have been entitled to upon such amalgamation, consolidation, or merger and the Corporation will take steps in connection with such amalgamation, consolidation or merger as may be necessary to ensure that the provisions hereof shall thereafter be applicable, as near as reasonably may be, in relation to any securities or property thereafter deliverable upon the exercise of the Options granted herein. A sale of all or substantially all of the assets of the Corporation for a consideration (apart from the assumption of obligations) a substantial portion of which consists of securities shall be deemed a consolidation, amalgamation or merger for the purposes of this section.
- (c) Adjustments under this Section 15 shall be made by the Board, whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued upon the exercise of an Option following the making of any such adjustment. Any share capital adjustments are subject to prior approval of the Exchange, except where they relate to consolidations or splits.

16. **Change of Control**

Notwithstanding the provisions of section 12 or any vesting restrictions otherwise applicable to the relevant Options, subject to the receipt of any necessary regulatory approvals, in the event of a change of control of the Corporation, each Participant, except those providing investor relation services, shall be entitled to exercise, in whole or in part, the Options granted to such Participant hereunder, either during the term of the Option or within 90 days after the date of the sale or change of control, whichever first occurs.

For the purpose of this Plan change of control of the Corporation means and shall be deemed to have occurred upon the acceptance by the holders of Shares of the Corporation, representing in the aggregate, more than 50 percent (50%) of all issued Shares of the Corporation, of any offer, whether by way of a takeover bid, for all or any of the outstanding Shares of the Corporation.

17. **General Restrictions**

No stock option shall be granted if:

- (a) a stock option plan, together with any other share compensation arrangements that the Corporation may adopt from time to time, including the Corporation's Deferred Share Unit Plan, could result at any time in:

- (i) the number of Shares reserved for issuance under stock options granted to insiders exceeds ten percent (10%) of the issued Shares; or
- (ii) the grant to insiders, within a 12 month period, of a number of options exceeds ten percent (10%) of the issued Shares; or

18. **Transferability**

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of this Plan shall be non-transferable and non-assignable unless specifically provided herein. During the lifetime of a Participant, any Options granted hereunder may only be exercised by the Participant and in the event of the death or permanent disability of a Participant, by the person or persons to whom the Participant's rights under the Option pass by the Participant's will or applicable law.

19. **Amendment and Termination of Plan**

The Board may, at any time, suspend or terminate this Plan. The Board may also, at any time, amend or revise the terms of this Plan subject to the receipt of all necessary regulatory approvals, provided that no such amendment or revision shall alter the terms of any Options theretofore granted under this Plan.

20. **Necessary Approvals**

The Obligation of the Corporation to issue and deliver Shares in accordance with this Plan and Options granted hereunder is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If Shares cannot be issued to a Participant upon the exercise of an Option for any reason whatsoever, the obligation of the Corporation to issue such Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the relevant Participant as soon as practicable.

21. **Tax Withholding**

- (a) The Corporation may be required by law to make source deductions in respect of Option benefits of a Participant (a "**Withholding Obligation**") and to remit to the applicable governmental authority on account of tax or other payroll deductions for such Participant an amount (the "**Withholding Amount**") calculated based on the value of the taxable benefit associated with the issuance of securities upon the exercise of the Options by such Participant. If the Corporation has a Withholding Obligation in respect of an exercise of Options by a Participant, then it is a condition to the issuance of securities upon exercise of such Options that the Participant shall pay to the Corporation, in addition to any other amounts payable in respect of the exercise of the Option, an amount of cash in respect of such source deductions as is reasonably determined by the Corporation to be the Withholding Amount. The Corporation may in its discretion waive this condition if other arrangements acceptable to the Corporation are made with the Participant to fund the Withholding Amount. Without limiting the generality of the foregoing, the Corporation may, in its sole discretion, agree with a participant that the Participant may fund the Withholding Amount by the Corporation lending the funds to the Participant on terms that may include repayment of the loan in whole or in part by the Participant authorizing the Corporation to withhold from the Participant's future compensation.

22. **Stock Exchange Rules**

This Plan and any option agreements entered into hereunder shall comply with the requirements from time to time of the stock exchange or exchanges on which the Shares are listed.

23. **Right to Issue Other Shares**

The Corporation shall not by virtue of this Plan be in any way restricted from declaring and paying stock dividends, issuing further Shares, varying or amending its share capital or corporate structure or conducting its business in any way whatsoever.

24. **Notice**

Any notice required to be given by this Plan shall be in writing and shall be given by registered mail, postage prepaid or delivered by courier or by facsimile transmission addressed, if to the Corporation, at its principal address as shown on its SEDAR profile; or if to a Participant, to such Participant at his address as it appears on the books of the Corporation or in the event of the address of any such Participant not so appearing then to the last known address of such Participant; or if to any other person, to the last known address of such person.

25. **Gender**

Whenever used herein words importing the masculine gender shall include the feminine and neuter genders and vice versa.

26. **Interpretation**

This Plan will be governed by and construed in accordance with the laws of the Province of Nova Scotia.
